

Knabs Ridge Wind Farm Community Benefit Fund - Successful Applicants 2020		
Account Name	Project Description - Summary	Awarded
Fewston & Blubberhouses PCC	Funding for home cooking and lunches, with contact as appropriate, for elderly isolated residents.	500
Washburn Heritage Centre	Funding for PPE/core costs to allow the tea rooms to reopen safely.	500
Darley Methodist Church	Funding for equipment, internet access, and stationery for a financial inclusion project for people in a rurally isolated area.	2236
Christ Church Community Centre	Funding for extractor fans to increase ventilation to make the community space more Covid-safe.	2500
Haverah Park with Beckwithshaw Parish Council	Funding for Bluetooth device for reactive road sign, in order to collate and analyse traffic speed data.	235
Kettlesing Millennium Village Hall	Funding will be used to replace the current lighting and heating system with new eco-friendly, energy saving equipment to reduce the carbon footprint and save cost. Additionally funding will purchase stage rails and steps to make apparatus safer for users. Staging has been used to create a tiered platform for a choral evening.	1684
Hampsthwaite Memorial Hall	Funding will replace ageing filament stage lights with remotely controllable LED lights which will save energy, reduce running costs, and make the facility more accessible to a wider public. The new lights can be "spot" or "flood" and moved as desired. The new system will be digitally controlled and programmed making it more user friendly.	2500
Fewston & Blubberhouses PCC	Funding towards installation of under-pew heating for parishioners and concert-goers.	500
Birstwith in Bloom	Funding will purchase planters and sleepers to make a raised bed in the village play area which can be used as a learning environment for children and a relaxing space for adults and improve the aesthetics of a plain grassy area.	2000
Nidderdale Plus Partnership	Funding for staff member to help set up a community hub, where residents can receive information about activities and services, and potential access social prescribing.	2500
Dancing for Well Being	Funding would go towards venue costs for the weekly Hampsthwaite group and on the costs of having an Assistant Leader at the group. The grant would help to continue to run the group for another year.	1804
Darley Playing Field Association (DPFA)	Part of the pavilion is leased as a shop, post office and cafe to provide essential & leisure services. Funding would pay for the purchase and installation of non slip decking strips to the pavilion which currently slippery in wet weather.	1288
Nidderdale Museum Society	Funding for permanent display boards outlining the history of Nidderdale and the surrounding area. These boards will be displayed at The Nidderdale Museum and The Nidderdale Show.	500
Birstwith Play Area Group	Funding to repair playground path to ensure access for pushchairs, and people with mobility needs.	500
Summerbridge and Dacre Silver Band	Funding is sought to purchase an E flat Bass. Additionally a portion of funding (£700) will be used to cover running costs which were covered by events revenue but due to the pandemic all events are cancelled so that source of income is gone.	2500
