

Account Name	Project Description - Summary
Home- Start York	Funding to appoint a Fundraising Worker for a project that supports families in York with children under the age of 6 years, who may be experiencing difficulties or are in need of support after becoming a parent.
York & District Citizens Advice Bureau	Funding to support staffing and volunteer costs, running costs and the appointment of a Research and Campaigns Officer for a Citizens Advice Bureau that support local residents.
Older Citizens Advocacy York	Funding to support extra hours for the Charity Manager to work on the development of new business areas that would ultimately benefit the health and wellbeing of elderly people.
York Music Hub	Funding to recruit an administrator and use managers resulting additional hours to establish a Supporters Club
Peasholme Charity	Funding will contribute to the cost of recruiting and paying the wages of a member of staff for 10.5 hours a week for a year, and in addition the cost of office rental. Aim: delivery of a fundraising strategy aimed a securing enough grant and donated income to sustain the core service delivery (helping homeless people).
The Hut York Ltd	Funding to cover an increase in working hours of a current staff member (from 3 to 5 days). The Hut have recently acquired a property in need of renovation before it can be utilised. The role is to ensure the project stays on track, remains viable and that sources of funding are identified and secured to continue the project.
The Island	Funding to pay a member of administrative/accounting staff, and cover the cost of a new computer and on-line accounting software. The Island supports vulnerable children and young people via a volunteer mentoring service aimed at building confidence and unlocking potential through positive relationships and unique programmes.
Tang Hall Community Centre	Funding to pay for one staff member, for one hour, one day a week, for one year. The role would be a dedicated sustainability & grant funding role. Aim: to benefit the inhabitants of Tang Hall, improve the local area, and change Tang Hall's reputation. We aim to improve the lives of the inhabitants by providing a vibrant community hub, which offers educational, recreational and social opportunities to local residents.
